- 7.08. The tenderer should have Permanent Account No.
- 7.09. The tenderer should have GST Registration certificate.
- 7.10. If the pre bid day is declared as holiday, the pre bid meeting shall be held on the next working day at the same time and place.
- 7.11. The PART- I Technical Bid will be opened on the date, time and venue specified, in the presence of the tenderers or their authorized representatives who opt to be present during the opening.
- 7.12. If the tender opening day is declared as holiday, the tenders shall be received and opened immediately on the next working day at the same time and place.
- 7.13. PART I Technical bid specifies the pre qualification based on various factors such as man power strength, capacity, suitability, eligibility etc., of the tenderer, that will be evaluated, considered and decided prior to opening of part II commercial bids of the tenderers.
- 7.14. The tenderer(s) who do not satisfy any/all the terms and conditions specifically so mentioned under Part-I Technical bid, are not eligible for opening of commercial bid and the Part II Commercial bid shall not be opened, treating it as non responsive.
- 7.15. The Part – II Commercial bids shall normally be opened within 90 days from the date of opening of the Part – I Technical Bid at the convenient date and time of the Tender Inviting Authority.
- 7.16. The date of opening of commercial bid will be intimated separately to tenderers who are qualified in the Part-I Technical bid. The Part- II Commercial bid will be opened in the presence of tenderers or their authorized representative who are present at the time.

SIGNATURE OF THE TENDERER

- 7.17. The Tender forms are not transferable or assignable.
- 7.18. In the event of escalation in cost due to reasons like revised tax payable or revision of daily wages by the District Collector payable during the period of the contract, the successful tenderer should alone bear such escalation and the successful tenderer shall not claim any additional amount for such escalation.
- 7.19. The variation in the service tax/GST/or any other tax levied by the Government shall be effected on the end price to the benefit of either the tenderer or the Federation as the case may be.
- 7.20. The signatory of the tenderer should indicate his/her status in which he/she has signed and should submit necessary legally admissible documentary proof in respect of such authority assigned to him/her by the firm.
- 7.21. A tenderer may submit a modified tender before the last date for receipt of tender provided that where more than one tender is submitted by the same tenderer the lowest eligible financial tender shall be considered for evaluation.
- 7.22. No tenderer shall be allowed to withdraw the tenders after submitting the tender.
- 7.23. In case the tenderer engaged workers from other states, it is the liability of the contractor to obtain necessary migration certificate from the authorities of the state concerned as per rules in force and a copy of it should be provided to this office.
- 7.24. The management reserves the right to terminate the contract at any point of time with 15 days notice (Prior intimation without assigning any reason thereof.)
- 7.25. The successful tenderer alone is the sole employer and it is his/her responsibility to extract work from his/her employees conforming to the stipulations in this tender document. For any commission or omission on the part of his/her employees, the successful tenderer alone is liable and shall pay damages to the Federation for any damage / loss caused to the Federation by his/her employees.

SIGNATURE OF THE TENDERER

- 7.26. Frequent replacement of workers should be avoided by the successful tenderer. In case new employee engaged, one week training to be given by the successful tenderer without deficit of total manpower mentioned in the tender. The number of trainees will not be accounted in 140 No's of manpower.
- 7.27. Supervisor should report the shift officer starting and end of each shift. Supervisor should not leave his/her shift without reliever to the next shift.
- 7.28. Supervisor should know the languages used by their contract labourers for effective communications.
- 7.29. There will be no employer- employee relationship between the employees of the successful tenderer and the Federation.
- 7.30. The successful tenderer alone is liable for implementation of all the Labour Laws applicable to his/her employees.
- 7.31. In case, by chance, the Federation has to shoulder any liability arising out of any statutory provisions, the successful tenderer shall make good the loss in that regard to the Federation.
- 7.32. In case of any accident involving the employees of the successful tenderer, the compensation and the penal consequences under the relevant Act shall be borne entirely by the successful tenderer. If the Federation has to incur any expenditure in that regard, the same shall be reimbursed by the successful tenderer.
- 7.33. The employees so engaged by the successful tenderer under no circumstances could be considered for appointment in the Federation on the ground that they have worked as a contract labourer.
- 7.34. The employees of the successful tenderer cannot claim any benefits or amenities extended to Federation employees.

SIGNATURE OF THE TENDERER

- 7.35. All sums found due to the Federation under or by virtue of these payments shall be recoverable from the successful tenderer under the provisions of Tamilnadu Co-op. Societies Act 1983 or in any other legal manner as the Federation may deem fit, if the same could not be recovered by adjusting from the security deposit or the bills of the tenderer, due to any reason.
- 7.36. The Managing Director, TCMPF Ltd., reserves the right to split the tender and place orders on one or more tenderer. The Managing Director also reserves the right to reject the tender offer fully or partially without assigning any reasons thereof.
- 7.37. The successful tenderer, after the expiry of the contract period has to execute the work at the same rate, terms and conditions for a period upto 6 months from the date of expiry of the contract in case of delay in finalization of new tender.
- 7.38. The successful tenderer should not engage persons below 18 years and above 50 years of age to do this work.
- 7.39. The successful tenderer shall be responsible to the TCMPF for any loss or damage arising out of theft, burglary, pilferage, larceny, mischief, looting etc., due to the involvement or negligence of his/her workers and the successful tenderer shall make good any such losses or damages as ascertained by the Federation and such losses are liable for deduction from his/her bills/deposits etc.
- 7.40. The Successful tenderer should furnish medical fitness certificates as per FSSAI format within 60 days from the date of taking over the job in respect of all his/her workers that they are not affected with any communicable diseases. Such requirement is necessary since they are handling the milk daily. Failing which, the Federation will arrange for the medical checkup and certificates and the cost of expenditure incurred in such medical checkup will be recovered from the successful tenderer.

SIGNATURE OF THE TENDERER

- 7.41. The Successful tenderer should execute the work as per requirement in the tender documents. If any serious lapse is noticed for more than 3 occasions, the Federation reserves the right to terminate the contract and the Federation would be at liberty to call for new tender. This is in addition to recovering damages for the loss caused to the Federation by such lapses.
- 7.42. If the contract is prematurely terminated on the part of the successful tenderer to fulfill the terms and conditions or prematurely withdrawn by the successful tenderer, the Security deposit is liable to be forfeited and if the amount of such loss is more than the security deposit, the same will be recovered from the successful tenderer by legal means, apart from forfeiture of any amount due to the successful tenderer.
- 7.43. The successful tenderer should pay not less than daily wages prescribed by the District Collector to his / her workers.

PAYMENT OF EARNEST MONEY DEPOSIT:

- 7.44. The tenderer should furnish **Earnest Money Deposit** of Rs.5,00,000/- (Rupees Five lakh only) by means of online payment only.
- 7.45. The EMD remitted by the tenderer shall be forfeited if the tenderer,
- a. Withdraws his tender after submission but before opening of the tender, or
 - b. Following the opening of tender, withdraws its tender before expiration of the period of effectiveness of the tender; or
 - c. Fails to furnish the required performance Security at the stage, the tenderer is required to do so as per the tender documents.

SECURITY DEPOSIT:

- 7.46. After evaluation and finalization of Part I Technical bids and Part II Commercial bids, successful tenderer shall furnish a Security deposit amount at 5% of the tender value (including EMD) for two years, by means of demand draft or Bankers cheque drawn from any Nationalized/commercial Bank in favour of “The TCMPF Ltd.,” Chennai payable at Chennai within 10 days from the date of receipt of work order. Failing which the successful tenderer will not be permitted to execute the work.

SIGNATURE OF THE TENDERER

- 7.47. The Earnest Money Deposit already paid along with the tender shall be adjusted against security deposit to be paid by the successful tenderer.
- 7.48. No exemption will be given from payment of Security deposit under any circumstances as per TNTT Act the same should be remitted by demand draft or Banker's cheque only drawn from any Nationalised / Commercial Bank in favour of "The Deputy General Manager (Engg), TCMPF Ltd., Chennai - 51". Bank guarantee or any other form of remittance will not be accepted.
- 7.49. The security deposit is liable to be adjusted against any loss or damage caused by the successful tenderer to the Federation by violation of the tender conditions.
- 7.50. The security deposit will be refunded only after the expiry of 6 months from the date of satisfactory completion of the contract and satisfactorily complying with the scope of work and the conditions thereof.
- 7.51. No interest shall be paid on the Earnest Money Deposit or Security Deposit.
- 7.52. Security deposit should be paid by the successful tenderer before issuance of contract work order.

AGREEMENT:

- 7.53. The successful tenderer should sign an agreement on a non judicial stamp paper to the value of Rs.100/- within 15 days from the date of receipt of work order. Non execution of the agreement within the stipulated date will lead to cancellation of work order and forfeiture of EMD.
- 7.54. If the successful tenderer fails to execute the contract satisfactorily at the tendered rate, the security deposit will be forfeited by the Federation.
- 7.55. If the Federation incurs any loss/ additional expenditure due to the negligence of the successful tenderer or by his/her workers in connection with the work during the period of contract or on extension period, the same shall be recovered together with all charges and expenses from the successful tenderer.

SIGNATURE OF THE TENDERER

- 7.56. The losses or damages, if any caused by the successful tenderer or his/her employees to the property of the Federation, the cost as ascertained by the Federation will be recovered from the successful tenderer.
- 7.57. No increase in the rate will be allowed during the period of contract or on extension period under any circumstances.
- 7.58. The tenderer should offer his/her rate per 100 litres for this work, taking into consideration, the present minimum wages rate prescribed by the District Collector inclusive of GST and other statutory dues.

PAYMENT TERMS

- 7.59. Performance of the work done by the Successful tenderer and his/her workers will be evaluated daily. Based on the fulfillment of the contractual obligations for 3 shifts, the monthly bill will be settled.
- 7.60. The successful tenderer shall submit necessary monthly bill in duplicate along with advance stamped receipt, performance report, copies of the EPF & ESI Challans of the previous month and monthly GST remittance for making payments.
- 7.61. At later stage if it is found that the subscription paid towards the EPF and ESI is not realized or found false then the tenderer should take the sole responsibility and he is bounded to face the further actions taken by the TCMPF Ltd/EPF/ESI authorities.
- 7.62. The actual quantity of despatch alone in the format known as CD 15 (i.e. acknowledged quantity by Marketing wing) only will be considered as production of the day for payment of the bill.
- 7.63. Applicable TDS under Income tax Act and GST Act will be deducted from the monthly bill of the successful tenderer and the same will be remitted to the Income Tax Department.
- 7.64. It is the liability of the successful tenderer to pay GST as per the rules in force.

SIGNATURE OF THE TENDERER

- 7.65. The payment shall be made within 30 days from the date of receipt of the bills based on satisfactory performance of the work.
- 7.66. Loss or damage if any caused by the successful tenderer to the federation shall be adjusted against the bill amount.
- 7.67. Any changes in statutory levies and taxes by state Government/Central Government shall be effected on the Basic price to the benefit of either the contractor or Federation as the case, it may be.

VIOLATION OF CONTRACT

- 7.68. Not with-standing anything contained in the tender schedule, no obligation is cast on the Federation to accept the lowest tenderer and the Federation shall also have the right to accept or reject the tender, if the Tender Accepting Authority decides that the price quoted by the tenderer is higher than the prevailing market rate.
- 7.69. Time being the essence of this contract, no variation shall be permitted. If the successful tenderer fails to despatch and execute the work in full or part of the work as per the work order, the Federation reserve the right to cancel the order besides forfeiting the security deposit and the resultant loss.
- 7.70. If the successful tenderer defaults to execute agreement or to pay security deposit or to execute the ordered quantity either in part or full shall be terminated from the contract and shall be debarred from participating in the subsequent any tenders for a period of 3 years in the Federation and it's District Union Dairies. Besides, the existing contract works being carried out in the Federation and its Dist. Unions also will be terminated.
- 7.71. For violation of any of the Terms and conditions of the contract, the Federation reserves the right to terminate the contract.
- 7.72. In the event of termination of contract, the Security Deposit will be forfeited and the resultant loss shall be recovered from the successful tenderer.

SIGNATURE OF THE TENDERER

LEGAL JURISDICTION:

- 7.73. The successful tenderer shall become an Associate Member of TCMPF Ltd. by paying the requisite fees under the Tamilnadu Co-operative Societies Act & Rules.
- 7.74. If either party is in any way aggrieved, that party has the right to raise dispute by way of Arbitration under Section 90 of the Tamilnadu Co-operative Societies Act before the Deputy Registrar (Dairying)Thiruvallur whose decision shall be accepted as final.
- 7.75. In case of dispute, the relevant court in Chennai alone will have jurisdiction

TENDER EVALUATION CRITERIA:

- 7.76. The tender offer should be unconditional and it should be for conforming to all the stipulations in the tender terms and conditions.
- 7.77. The tender will be evaluated as per TNTT Act.
- 7.78. The tender should clearly indicate that the bid takes care of the minimum wages and statutory dues.
- 7.79. The tenderer should offer his/her rate per 100 litres basis plus GST and all other costs as mentioned in the tabular column of the commercial bid.
- 7.80. No column should be left blank in the commercial bid. In such case the tender will not be considered for evaluation.
- 7.81. All inclusive end rates shall be considered for evaluation of the lowest offer.

VALIDITY

- 7.82. The tender offer shall be valid for acceptance for a period of not less than 180 days from the date of opening of Part I Technical bid.
- 7.83. The tenderer shall agree to extend the validity of the bids without altering the substance and prices of his bid for further period, if required by Federation.

DEVIATION:

- 7.84. The offers of the tenderer with deviations on technical/ commercial bids of the tender will be rejected.
- 7.85. No alternate offer will be accepted.

SIGNATURE OF THE TENDERER

SIGNATURE OF THE TENDERER

Every day the contractor should provide minimum 40 workers (Male 20 Female 20) for A Shift, 45 workers (Male 23 Female 22) for B Shift and 55 workers (Male 28 Female 27) for night shift.

As a whole the minimum strength per day should be 140 No's for 4.10 LLPD. In each shift the contractor should provide one supervisor, in which the salary is paid by the contractor.

Note: The above deployment of workers may change in case of any infrastructure development like increase in milk cold room capacity, increase in number of high speed packing machines, etc. But the total manpower will remain same and the production will be planned for two shifts i.e in day time itself and the loading will continue in third shift/night.

The Tenderer should deploy required manpower in each shift based on Daily Production plan.

8.03 For every increase in production of 10000 litres of milk exceeding 4.10 lakhs litres per day in packing and dispatch, four persons has to be deployed in addition to 140 persons.

8.04. After the receipt of the work order, the successful tenderer should physically present with 140 nos. of his/her workers along with the details of workers before the Deputy General Manager(Engg)/ Shift Officer Madhavaram Dairy, 1 or 2 days prior to the date of execution of the work in the office hours in order to assess the man power strength to execute the work in time.

8.05. Loading works to all the route vehicles should be completed before 11.30 pm and all the Agency vehicles should be completed before 2.30 am daily by the successful tenderer. For delayed dispatches Rs.10000/- (Rupees Ten Thousand only) per hour may be imposed for the Route and Agency separately per occasion.

SIGNATURE OF THE TENDERER

- 8.06. Checking and stacking of milk sachets should commence immediately after cleaning the working place at 6.00 am every day and to continue to next day 5.00 am for A, B & C shifts. The successful tenderer should ensure that each labourer/ supervisor is given half an hour interval within that shift, in such a way that the continuity of the work and productivity are not affected.
- 8.07. The successful tenderer should ensure the Personal Hygiene of their workers and should teach them to maintain Hygienic practices in work environment like Washing hands before taking up the work, wearing mask, etc .
- 8.08. The persons so supplied shall stack milk sachets of 24 Nos. of ½ Lits. or 12 Nos. of 1 Lits. in every tubs which may again be stacked to the height of 11 Nos. and stock the same in the cold rooms.
- 8.09. The sachets stacked in tubs should be stored in orderly manner systematically in the cold rooms for easy loading.
- 8.10. The tubs should not be stacked in more than 2 lines vertically (i.e. 22 milk tubs) at the loading point of distribution vehicles at the dispatch docks at any given point of time during the loading operations.
- 8.11. The successful tenderer should ensure the availability of empty tubs nearer to sachet stacking place, from the tub washer yards.
- 8.12. The milk Sachets should be stacked vertically in the empty tubs. In the event of stacking more than the required No. of packets in the tubs would lead to imposing of penalty equivalent to double the rate of MRP of each sachet for the No. of milk sachets found extra.
- 8.13. The successful tenderer should ensure clearing the milk sachets at the end of conveyer by deploying sufficient man power then and there to avoid accumulation and wastage of sachets milk.
- 8.14. The leaky packets should be cut opened and the milk should be poured in the leak-milk vats.
- 8.15. The successful tenderer should ensure that the cold rooms are kept in neat and clean condition.

SIGNATURE OF THE TENDERER

- 8.16. The successful tenderer shall provide manpower to bring the polythene rolls from general stores and stock them in the rooms allotted nearer to the packing place.
